The Senior Year Experience
Class Of 2013
REALITY MC is a three-day weekend on campus from January 11-13th, 2013 for seniors entering their final semester at Muhlenberg College. The program is designed to provide useful transition information to help you develop essential skills to take with you after college.

REALITY MC also provides an opportunity for seniors to reconnect and spend time with peers as they reflect on the past four years, and prepare to travel beyond the Red Doors of Muhlenberg College.

REALITY MC logistics:
- On-site Registration begins Friday, January 11th at 11:00 am in Seegers Union.
- Cost includes all meals and snacks each day through brunch on Sunday, all presentations and speakers, and the off campus Alumni Networking Reception!
- Each day will be packed with programming - Reality MC ends mid-afternoon on Sunday.

REALITY MC will facilitate learning:
- The importance of goal setting, and utilizing one’s strengths and stepping beyond one’s comfort zone to reach goals;
- how to handle personal financial/business and life management matters;
- Effective networking.

Yes! You may stay in your college housing if you are registered for Reality MC.

Why should I attend?

Here’s what past participants took away from their experience—

“Gain more confidence about going into the workforce and learn more about how to take care of myself and life’s obstacles”

“personal finance and professional guidance”

“information on financial matters—such as taxes, 401K, budgeting/savings”

“Learn more about marketing myself, building a strong network, and skills for an effective job search”

A few REALITY MC program highlights:

Where do we go from here?
Who am I? Who are you? Where do we go from here? Take advantage of the many opportunities during Reality MC to engage in dialogue and reflection with fellow seniors, faculty, staff, alumni, and industry experts about these important lifelong questions

Top Chef Competition!
After learning “The Cooking Essentials” from Sodexo experts, all seniors will compete for the “Top Chef” title during the Friday night cooking contest! Challenges will be based on the new-grad experience—This event includes dinner for all participants and guest celebrity chefs!

Money, Money, Money
Students report that the sessions related to money are the most useful—be sure to attend Love Your $$$, W4401kHMO, and The Least You Need to Know About Taxes to become confident in your ability to handle money matters.

Alumni Networking Reception
“I wish someone had told me!” Attend a networking reception with Alumni and Friends of Muhlenberg! This is the perfect opportunity to beginning connecting with established professionals who can offer advice, ideas, leads, and potentially a job! Business casual attire. Transportation to an off campus site will be provided.

For More Information on Reality MC Go To: www.Muhlenberg.edu/SYE
Registration Deadline is December 14th, 2012
