

Muhlenberg College
Office of Disability Services
Special Housing Request Student Form

Continuing Students

Students with conditions which rise to the level of a disability and impact their residential housing experience may apply for accommodations through the following process.

Student Name: _____

Class Year: _____

Policies: *Please initial that you have read and agree with each item listed.*

- _____ 1. I understand that submission of supporting documentation and the completion of the intake interview are required in order to be considered for special housing accommodations.
- _____ 2. I understand that special housing requests are assessed on a case-by-case basis by the Special Housing Committee.
- _____ 3. I understand that documentation of a condition **does not** guarantee that an application will be approved. Applications may not be approved if:
- *the condition does not rise to the level of a disability for the purpose of residential living
 - *the request is not a reasonable accommodation under the ADA
 - *the request is inconsistent with established Special Housing Request policies and guidance
- _____ 4. I understand there must be a clear connection between the special housing request and the impact of the condition. The documentation submitted must include a statement of the level of need for (or consequences of not receiving) the recommended housing request.
- _____ 5. I understand that Special Housing Request applications are considered and prioritized based on critical medical need and the severity of the condition that significantly impacts residential living. I understand that having a diagnosed condition, such as LD, ADHD or a mental health disorder does not guarantee a specific outcome.
- _____ 6. I understand that requests for specific residential assignments cannot be addressed through this process.
- _____ 7. I understand that the Special Housing Request process is not a mechanism to mitigate roommate disputes. All requests with a roommate dispute as a component of the request will be referred to the Housing and Residence Life Roommate Mediation Process.
- _____ 8. **I understand that late requests are only considered in cases of extraordinary or exceptional medical circumstances which occurred or were diagnosed after the conclusion of the Special Housing Process.**

Procedure: Please complete the following steps of the Special Housing Request process **no later than the applicable deadline² listed on page 2.**

Step 1: Complete both pages of this **Special Housing Request Student Form.**
