Benefits are underwritten by Capital Advantage Assurance Company®, a subsidiary of Capital Blue Cross. An independent licensee of the Blue Cross Blue Shield Association.

Deductibles, coinsurance and copayments under this program are separate from any deductibles, coinsurance and copayments required under any other health benefits coverage you may have.

In-network providers agree to accept our allowance as payment in full—often less than their normal charge. If you visit an out-of-network provider, you are responsible for paying the deductible, coinsurance and the difference between the out-of-network provider's charges and the allowed amount. Out-of-network providers may balance bill the member. Some out-of-network facility providers are not covered. In certain situations, a facility fee may be associated with an outpatient visit to a professional provider. Members should consult with the provider of the services to determine whether a facility fee may apply to that provider. An additional cost-sharing amount may apply to the facility fee.
