BergVotes

Student/Faculty/Staff Collective

We are hiring!

Work Study positions available.

Apply on Handshake!

Visit the OCE in Fahy Commons - it's a great place to be!

English Language Learning

Students facilitate and create groups to reinforce conversational English skills.

Berg Votes

Register students to vote, engage in the electoral process, host issue-based forums and more!

Best Buddies

Best Buddies is an international organization that pairs people with and without intellectual disabilities in one-on-one friendships.

Community Bike Works

Connect with kids and learn from one another.. Contrary to what the name might imply, you don't need to know about bicycles to volunteer at Bike Works!

America Reads

As part of a national program aimed at improving reading amongst kindergarten through 3rd grade, Muhlenberg students collaborate with teachers to reinforce literacy lessons.

College Connect

3rd grade (Muhlenberg Elementary, Hays Elementary, Roosevelt Elementary) students visit the College to learn more about College and think about the future.

Bow Tie Club (men of color preferred)

Pairs Muhlenberg students who identify as men with kids at South Mountain Middle School who identify as boys in a mentoring program intended to build relationships to support success.

Super Girls (women preferred)

Engage with 4th and 5th grade students who identify as girls with a focus on self-esteem, girl power and representation.

STEM Outreach

Connect with elementary and middle school kids to spark their excitement about science, technology, engineering and mathematics as possible future endeavors. Students work with kids in the schools on a bi-weekly basis and organize an on-campus STEM day with faculty at Muhlenberg!

Art Day

Art Day takes place every week at Hays Elementary School. Muhlenberg volunteers work with elementary students to create a variety of different art pieces focusing on different techniques and artists from around the globe each visit.

Theatre Arts

Berg students engage elementary school kids in theatre games and techniques through this after-school program hosted at Hays Elementary School..

Magical Memories

Volunteers dress as various characters and visit local schools and health care settings to engage young people in a little moment of magic.

Game Time @ Phoebe

Muhlenberg students meet up with residents at the Phoebe Home. We play games and complete puzzles together while getting to know one another. Students can also be paired with the senior citizen residents to build deeper relationships over time.

Shape it Up!

Volunteers connect with kids through this program focused on the importance of physical fitness and nutrition.

Social Butterflies

Social Butterflies collaborates with community partners to enhance social emotional learning for children with special needs. Volunteers have the

opportunity to visit an autistic support classroom bi-weekly, and attend monthly visits to Camelot for Children.

The Sanctuary

Student volunteers at The Sanctuary connect with cats and dogs who are looking for new homes. Cleaning, walking animals and playing create a beneficial experience for all.

Manito Horse Farm

Support both the traditional and therapeutic riding school by assisting with cleaning and animal care.

Movers @ Ripple

Chair movement with adult community members @ Ripple

Food Recovery Network & Ecumenical Food Bank

Students partner with Muhlenberg Dining, Daybreak and Turning Point of the Lehigh Valley to reduce catering food waste at the college and support individuals and families at Turning Point and Daybreak. They also volunteer at the Ecumenical Food Bank to directly impact food insecurity in our local communities.
