

QUESTIONS

What should I wear?

Creative Movement: Comfortable clothing (shorts or pants, please) that does not inhibit them from moving freely and safely. Bare feet are required. No tights or shoes, as shoes inhibit grounding the body and articulating the feet, which aids in balance and coordination for young children.

Ballet attire: Any color leotard or fitted T-shirt, tights or leggings, and ballet slippers (any color).

Jazz, Tap, Modern: Any color leotard or fitted T-shirt with jazz pants/leggings. Appropriate footwear: jazz shoes for Jazz class, tap shoes for Tap class, bare feet for Modern and Musical Theatre.

If you have dancewear questions, please email mcdc@muhlenberg.edu

Are there any discounts available?

Muhlenberg College students and **Allentown School District students** receive 30% off total fees. **Muhlenberg faculty and staff** receive 15% off fees for themselves and their immediate families.

Can I drop in and take a class?

Yes, adult ballet students can pay per class! The drop-in rate is \$20. This is a good option if you're not available for all of the classes, or if you would like to try the class to see if it's the right class for you.

Please arrange drop-in payment in advance by emailing mcdc@muhlenberg.edu

Where are my classes?

ULS: Upper Level Dance Studio, Trexler Pavilion (top of the elevator)

DST: Dance Studio Theatre, Trexler Pavilion (near the box office)

What classes should I take?

MUHLENBERG COMMUNITY DANCE CENTER FOR YOUNG DANCERS

Gianna Neal
MCDC Director & Administrator

Come dance with us in the summertime!
Classes are offered in a full range of
styles and levels, for ages 2+, from
Creative Movement to teen and adult
classes!

Muhlenberg Community Dance Center (MCDC) Program for Young Dancers offers a **safe and supportive** environment in which students can explore their creative and physical potential under the guidance of an enthusiastic and knowledgeable teaching staff. Taught in the state-of-the-art dance studios of Muhlenberg College, the curriculum gives students **flexibility to design their own course of study**, exploring a wide range of dance styles according to their interests.

The faculty focuses on providing **developmentally age-appropriate** dance education for all levels, carrying a child from the earliest creative movement experience through pre-professional work. Emphasis is placed on **educating the whole child**, providing not only physical training and dance technique, but also a **cross-curricular approach to creative expression**, with a focus on **developing self-confidence** and a lifelong appreciation for the creative arts.

Classes are taught by professional dance instructors and qualified Muhlenberg College dance majors who are pursuing dance education. For teacher bios, visit muhlenberg.edu/mcdc.
